Subject: Dairy trade deficit for 2010

Dear Sir/Madam,

At <http://www.dairyco.net/datum/dairy-processing--trade/imports--exports/uk-dairy-trade-balance.aspx>, which was published in Published 9 April 10, you kindly show the dairy trade deficit for years ranging from 1990 to 2009.

I see you sourced these figures from Customs & Excise. Unfortunately I have not been able to find these figures at source when I tried to locate the figure for 2010.

Do you by any chance know the 2010 figure?

Thank you for reading this.

Yours faithfully,

xxxxxx xxxxxxxx
