Subject: Impact of Foot & Mouth

Dear Sir/Madam,

If you can, please advise me of the impact of Foot & Mouth in Northern Ireland in 2001 in terms of

(a) the number of cattle slaughtered as a proportion of the number of cattle which existed at the time and

(b) the number of herds destroyed as a proportion of the number of herds which existed at the time.

A reply by email will be fine.

Yours sincerely,
