Subject: Request for information: Overdue bovine tb tests

Dear Sir/Madam,

If you can, please send to me for New Zealand for each year from 1998 to 2008 inclusive,

- (a) the number of herds each year for which there has been a requirement to carry out a bovine tb test and
- (b) the number of herds each year for which the deadline for any test has been exceeded by more than one month.

I hope this is clear. Obviously please let me know if clarification is required.

If you are unable to reply promptly, a confirmation of receipt would be very much appreciated.

All responses by email will be fine.

Yours faithfully,

.....
